

CERISE QUEEN YARROW Achillea millefolium 'Cerise Oueen'

Long lasting bright red-pink flowers throughout the summer on fern-like foliage. Low maintenance. Great cut flowers.

MILLY ROCK™ ROSE YARROW Achillea millefolium 'FLORACHRO1'

Compact, mounding habit with clusters of small, rose-pink coloured flowers and feathery, aromatic foliage. Long blooming perennial. Propagation is prohibited.

SUMMER PASTELS YARROW Achillea millefolium 'Summer Pastels'

1 60 cm / 24" ←> 60 cm / 24" Yune-September

A showy mix of colours in flat-topped clusters of white to dark pink. Mix into the borders, great cut flowers.

PEARL WHITE YARROW Achillea ptarmica 'Pearl White'

A vigorous and spreading plant with the finely textured leaves of other Achillea. The flowers, however, are white and round. These can be used as cut flowers.

PETER COTTONTAIL YARROW Achillea ptarmica 'Peter Cottontail'

1 45-60 cm / 18-24" ↔ 70-75 cm / 28-30" 💮 June-September uspp#31756

This yarrow has a look that's reminiscent of Baby's Breath, with large, ivory-white flowers that are produced over a low, mounding habit of green foliage. Propagation is prohibited.

\$\square \frac{1}{\pi} \frac{1}{\pi} \frac{1}{20} \text{ cm / 48"} \$\leftrightarrow\$ 60 \text{ cm / 24"} \$\frac{1}{\pi}\$ July-August

Splendid perennial with beautiful, upright spikes of large blue hooded flowers. Great cut flowers.

CLOUDY MONKSHOOD Aconitum carmichaelii 'Cloudy'

A new beautiful bicolored flower that blooms blue and white. Propagation is prohibited.

GOUTWEED Aegopodium podagraria 'Variegata'

🎉 🌋 🧘 25 cm / 10" ⇔ 60 cm / 24" 🛭 👻 July-August

Vigorous spreading groundcover with white flowers. Great for underneath trees or shade areas of the landscape.

MANGO TANGO HYSSOP Agastache 'Mango Tango'

1 40-45 cm / 16-18" ← 35-40 cm / 14-16" July-September uspp#28747

Pale peach to deep orange flower spikes with tender pink calyxes. Fragrant leaves. Excellent for cut and dried flower and attracts hummingbirds and butterflies. Propagation is prohibited.

Fragrant foliage and soft blue flowers from late May thru October make this a wonderful garden plant. Butterflies and hummingbirds are extremely attracted to the tubular flowers.

ANISE HYSSOP Agastache foeniculum

Aubin Nurseries Ltd. Rooted Living

🌋 🌋 🐧 60 cm / 24" ↔ 45 cm / 18" 👻 June-September

A well-branched Anise Hyssop with tall spikes of purple to lavender flowers. Excellent cut and dried flower. Fragrant foliage. A favourite food of bees and butterflies.

The light purple blossoms open over a period of several weeks in the fall. That long bloom time, combined with high nectar content, makes this plant highly attractive to bees and butterflies. Birds feed on the seeds that follow.

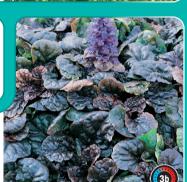

\$\frac{1}{2}\$ 55-60 cm / 22-24" \$\leftrightarrow\$ 55-60 cm / 22-24" \$\frac{1}{2}\$ June-September USPP#26514

Lavender-blue blooms on compact, bushy mounds of fragrant green foliage. Excellent for cut and dried flower and attracts bees and butterflies. Propagation is prohibited.

Black as night glossy foliage. A knock out in patio pots or as an accent plant. Pretty spikes of blue flowers stand out in late spring. Propagation is prohibited.

CORIDAL CANARY BUGLEWEED Ajuga Feathered Friends™ 'Coridal Canary' 🌋 🥻 10-15 cm / 4-6" ↔ 30-60 cm / 12-24" 👻 May-July

Vigorous perennial prized for its brilliant gold foliage, which quickly forms a dense carpet of attractive rosettes. In spring and summer, the foliage is topped with cobalt-blue flower spikes.

NOBLE NIGHTINGALE BUGLEWEED Ajuga Feathered Friends™ 'Noble Nightingale'

Striking small-leaved variety. The feather-like foliage of this groundcover is extremely glossy and is deep purple, almost black. It provides excellent texture to shady areas and is set off by cobalt-blue blooms in spring.

Excellent groundcover of burgundy-coloured foliage with large deep blue flower spikes. Good drought resistance.

🌋 🐧 150-200 cm / 5-6′ ↔ 45-60 cm / 18-24″ 🐮 July

Deep black-purple, single flowers are produced on tall, sturdy stalks. Ideal along a fence or wall.

CHATTER'S DOUBLE HOLLYHOCK Alcea rosea 'Chater's Double'

The classic Hollyhock grown for centuries with large, ruffled Peony-like double flowers

Excellent for cut flowers, mass plantings and attracts hummingbirds.

PURPLE RAIN HOLLYHOCK Alcea rosea 'Spolight Purple Rain'

🌋 🐧 180 cm / 72" ↔ 45 cm / 18" 🛚 🛞 May-October

Stunning Hollyhock producing sturdy tall stems each bearing several striking purple blooms Each bloom has a wine-coloured eye making this a real focal point in the border.

FIESTA TIME HOLLYHOCK Alcea ficifolia 'Fiesta Time'

Short spikes of double, cerise-pink, fringed flowers. Great cut flowers. More suitable for containers than its taller cousins.

THRILLER LADY'S MANTLE Alchemilla mollis

띷 🐧 50 cm / 20" ↔ 60 cm / 24" 🗡 June-August

Blanketed with loose sprays of clusters in small yellow flowers and dense clumps of scalloped, grey-green foliage. Good for edging borders or containers.

45 cm / 18" ← 45 cm / 18"

Clumps of grassy green foliage with a slight onion aroma are offset by large,

CUTLEAF ANEMONE Anemone multifida 'Rubra

🌋 💃 🗘 30-45 cm / 12-18" 👄 30 cm / 12" 🗡 May-June

Brilliant, carmine-red flowers with yellow centers appear May to June. Clumping, green fern-like foliage is the perfect backdrop. Blooms attract butterflies.

HONORINE JOBERT ANEMONE Anemone x hybrida 'Honorine Jobert

\$\frac{1}{2}\$ 90-120 cm / 3-5' \$\leftrightarrow\$ 60 cm / 24" \$\frac{1}{2}\$ September-October

An elegant garden classic for over a century. Large, white flowers bloom

GRAPE-LEAF ANEMONE Anemone tomentosa 'Robustissima'

🐝 💃 🐧 114 cm / 45" ↔ 75 cm / 30" 🛚 💮 June-July

Nice spreading anemone, forming a large mound of attractively cut foliage with plenty of pink flowers in late summer.

SNOWDROP ANEMONE Anemone sylvestris

🌋 💃 ‡ 40 cm / 16" 👄 50 cm / 20" 🛚 👻 May Spreading perennial with fragrant, single white flowers.

Blooms mainly in mid-spring, but can rebloom during summer.

A popular garden perennial with unique flowers in a wide range of colours. Great rock garden plant.

ORIGAMI MIX COLUMBINE Aquilegia 'Origami'

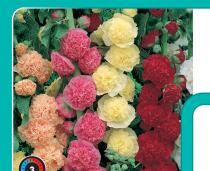

This columbine has an extended bloom time, up to 12 weeks. Large 3" flowers are produced in a variety of colours, blue, pink, red, white and yellow. Uniform growth habit. Great rock garden plant

in assorted colours. Will require support. Ideal along a fence or wall.

HALO CERISE HOLLYHOCK Alcea rosea 'Halo Cerise'

Large, single flowers of deep pink with rich purple centers. Will require support.

SONGBIRD CARDINAL COLUMBINE Aquilegia 'Songbird Cardinal'

뺧 💃 🗘 50-70 cm / 20-28" ↔ 45-60 cm / 18-24" 🛚 🛞 May-July

Long spurred flowers with dark red sepals and white petals. The largest upward-facing Columbine, blooming spring to summer on compact plants.

ALPINE COLUMBINE Aquilegia alpina

Double blue flowers provide a strong presence in any garden and is one of the most reliable perennials in spring. Great rock garden plant.

YELLOW QUEEN COLUMBINE Aquilegia chrysantha 'Yellow Queen'

뺧 💃 🗘 80 cm / 32" \leftrightarrow 45 cm / 18" 🛭 👻 May-July A large-flowered, long-spurred form with yellow flowers in spring. Seed heads are also ornamental. Attracts hummingbirds.

BLACK BARLOW COLUMBINE Aquilegia vulgaris 'Black Barlow'

Fully double frilly blooms and unique dark purple colour. This Aquilegia is good for background planting. Attracts hummingbirds. Great rock garden plant.

🖐 💃 🐧 75 cm / 30" 👄 30 cm / 12" 🤄 July Striking flowers with full heads of layered red to rose-pink to pearl and green petals appear freely in summer. Attracts hummingbirds. Great rock garden plant.

PINK ROCK CRESS Arabis caucasica 'Rosea'

\$\left(\frac{1}{2}\) \int \frac{1}{2}\] 15 cm / 6"

\$\left(\frac{1}{2}\) 45 cm / 18"

\$\left(\frac{1}{2}\) May-June

Rosy-pink flowers cover this compact perennial. Low growing with greyish-green foliage. Good for rock walls.

WHITE ROCK CRESS Arabis caucasica 'Snow Cap'

A great, low growing perennial highlighted with pure white flowers in late spring. Great for rock gardens or cascading over low walls.

\$\frac{1}{\psi}\$ 10 cm / 4"
\$\lefta\$ 15 cm / 6"
\$\frac{1}{\psi}\$ May-June

Forms a very low carpet of rounded, waxy-looking green and white streaked leaves. A choice groundcover for a small area, also excellent for edging and in the rock garden.

THRIFT PINK Armeria maritima 'Laucheana'

🌋 🗘 10-15 cm / 4-6" ↔ 15-30 cm / 6-12" 🐮 May-June

Low tufted mounds of grassy green leaves, contrasting with bright pink pompon flowers for many weeks starting in late spring. Excellent in tubs or mixed containers, particularly alpine trough gardens.

Sphere-shaped, pure white flowers that rise up on sturdy stems well above mounds of low-clumping, grass-like foliage. Deadhead flowers for improved performance.

SILVER MOUND ARTEMISIA Artemisia schmidtiana

🎉 🤰 30 cm / 12" \leftrightarrow 45 cm / 18".

Mounding perennial with silver-grey foliage. Popular colour contrast mixed into landscape or in containers.

SUNFERN™ WORMWOOD Artemisia gmelinii SunFern**™**

Ferny/feathery dark green foliage on red stems. A great neutral/filler plant for container or flowerbed, like a small shrub.

DWARF GOATSBEARD Aruncus aethusifolius

🎇 💃 🗘 30 cm / 12" ↔ 30 cm / 12" 🕱 June-July

Creamy-white plumes above fern-like foliage Woodland perennial, plant in a moist, shady area of the landscape.

GOATSBEARD Aruncus dioicus

\$\square \frac{1}{20} \text{ cm / 48"} \leftrightarrow 90 cm / 36"

\$\square \text{ June-August}\$

Beautiful large, cream-white feathery flowers highlight this large growing perennial. Outstanding background plant.

CINDERELLA SWAMP MILKWEED Asclepias incarnata 'Cinderella'

🌋 🐧 1-1.5 m / 3-5′ ↔ 30-90 cm / 1-3′ 🛞 Mid-early fall

Hassle-free perennials, offering 3 months of vanilla scented, rose-pink flowers in large, compact clusters. Dead heading the flowers will stimulate another bloom cycle. Attractive to hummingbird, butterflies, and bees.

BUTTERFLY WEED Asclepias tuberosa
