**BUCKTHORN / KIWI / ILEX** : Requires both a male and female for pollination.

**MALUS / PYRUS** : Both require a 2<sup>nd</sup> tree of the same species but a different variety to pollinate.

**SELF POLLINATING** : Blackberries, Blueberries, Bunchberries, Chokeberries, Cranberries, Currants, Elderberries (but produce better with 2<sup>nd</sup> variety), Gooseberries, Grapes, Raspberries, Saskatoons, Snowberries and Strawberries.
